1 What is Guideon?

Guideon is Oman's leading platform connecting certified tour guides directly with tourists — no middleman, full control.

2 Step 1 — Create a Guide Account

- Go to guideon.om and click "Create Account"
- Select the "Certified Tour Guide" tab
- Enter: full name, email, password (8+ chars with numbers), phone
- Set your license status and enter license number if available
- Add languages, specializations (cultural, desert, coastal...), and destinations
- Set your daily rate in Omani Rials and write a short bio
- Click "Create Account"

■ *Pick a professional photo and bio from the start — first impressions matter.*

3 Step 2 — Verify Your Email

- Check your inbox and click the activation link
- Can't find it? Check Spam/Junk or click "Resend Activation Email"

4 Step 3 — Log In

- Go to guideon.om/login and enter your email and password
- Forgot password? Click "Forgot Password?" for a reset email

5 Step 4 — Admin Verification

After registration your account shows "Under Review" until the Guideon team verifies it. Once approved, a "Verified" badge

6 Guide Dashboard — Overview

Bookings New, confirmed, ongoing, and completed requests

Tours Add, edit, and publish your tours

Calendar Set your available days

Messages Chat with tourists

Reviews Tourist reviews and your ratings

7 Step 5 — Complete Your Profile

- Add a clear, professional profile photo
- Write an engaging bio highlighting your experience and strengths
- Upload a photo gallery from past tours
- Add a short intro video (optional — greatly increases trust)

■ *A complete profile = more bookings and higher trust.*

8 Step 6 — Add a New Tour

- From the dashboard click "Add Tour"
- Enter the tour title and a detailed description
- Upload an attractive cover photo
- Set the price, duration (half / full day), and max group size
- Add available dates, then click "Publish"

■ *The max group size is enforced automatically — no overbooking.*

9 Step 7 — Manage Availability (Calendar)

11 Step 9 — Run a Tour

- On the day of the tour tap "Start Tour" — tourist gets a start notification
- After the tour tap "End Tour" — it is logged as completed
- The tourist is then prompted to leave you a rating

12 Chat with Tourists

Communicate directly with tourists via in-platform chat to coordinate details before and during the tour — with instant push notifications so you never miss a message

13 Ratings & Reputation

After every completed tour the tourist rates you with stars and writes a review. High ratings boost your ranking on the platform and bring in more bookings.

14 Notifications

- In-platform bell
- Email
- Mobile push (Web Push)

15 Support & Contact

- Email: hh92hh@guideon.om
- Instagram: [@guideonoman](https://www.instagram.com/guideonoman)
- Or via the in-platform chat

16 Tips for Success as a Guide
